

Pastoral Care Commission

Diocese of Prince Albert

Dear Pastors and Parish Council members.

The Bishop has asked that a Pastoral Care Commission be implemented. At our first meeting we decided to ask each Parish Council for help since we certainly do not know the needs of our people.

Since we are just beginning, we want to start with a do-able work load. The following are the areas we have selected to begin with:

- a. Home and hospital Visitations
- b. Communion to the sick and shut-ins
- c. House calls
- d. Grief and bereavement programs

1. Is there a Pastoral Care Team in your Parish that deals with these points? Yes ___ No ___

2. If yes, from the above list, check the ministries you offer? a. ___ b. ___ c. ___ d. ___

3. Do any other agencies in your area provide some of these resources? No ___

If yes, which ones: a. ___ b. ___ c. ___ d. ___

4. Would your Parish accept/want teaching help in any of these areas: No ___

If yes, in which areas: a. ___ b. ___ c. ___ d. ___

5. Would you be able to send us the name and address of a contact person in your Parish?

Please answer this short questionnaire by **April 15th** in order to assist our commission in our planning mandate.
