### **Collection for the Needs of the Church in Canada: Thank you for your ongoing support!**

Each year, and with the generosity of Catholic faithful from coast to coast to coast, the Bishops of Canada continue their work on relations with Indigenous peoples, important doctrinal and ethical questions; ecumenical initiatives and interreligious dialogue; international relations; evangelization, faith education, and catechesis; questions of social justice; responsible ministry, and the development of a culture of life and family. In addition to their national Conference, the Bishops of Canada also meet in four Regional Assemblies (Atlantic, Quebec, Ontario, and the West). The CCCB and the regional assemblies include the Bishops of the Latin Church, as well as the Eparchial Bishops of the Eastern Catholic Churches. On behalf of all Bishops of Canada, the Most Reverend Richard Gagnon, Archbishop of Winnipeg and CCCB President, shares his gratitude for the continued support of the Church's pastoral mission through prayers, gestures of kindness, encouragement, and generosity. "On behalf of all Canada's Bishops, I would like to thank you for your ongoing support. May the Lord extend his grace and love upon you and your loved ones."

### **RESTORATIVE JUSTICE**

CoSA South Saskatchewan, Micah Mission, and Parkland Restorative Justice are the agencies (partnered with MC Sask and MCC Sask) that provide the Person to Person (P2P) and CoSA programs in Saskatchewan.

Since April of 2017, these agencies have been receiving approximately \$200,000 in total annually from the Ministry of Public Safety Canada, administered by CoSA Canada, to facilitate reintegration programming while contributing to research showing the high rate of success of CoSA.

In March of 2022, this five-year project will come to an end as will the funding that came with it.

In anticipation of this, these agencies have been seeking to determine how to continue funding the programs and not lose any valuable staff members. We are also exploring how the 3 agencies might partner together in applying for sustainable, ongoing funding to keep these programs alive.

## **SOCIAL JUSTICE**

<https://www.padiocese.ca/social-justice>

### **HAITI NEEDS OUR SUPPORT**

At 8:29 a.m. on Saturday, August 14, a magnitude 7.2 earthquake struck Haiti's Tiburon Peninsula, about 150 kilometers west of the capital, Port-au-Prince. By Monday, it was being reported that the death toll had crossed 1,300; 13,600 homes were severely damaged; and that 800,000 people were directly affected. The victims were also bracing for a coming tropical storm.

Development and Peace's partners, ITECA and Caritas Haiti, swung into action, sending relief trucks and assessment teams to the affected areas. These are the very regions whose recovery you had generously supported after Hurricane Matthew in 2016. Now, our partners need your support once again to step up their relief efforts and to develop a sustained recovery program.

### **CANADIAN AID TO PERSECUTED CHRISTIANS (CAPC)**

#### **Abduction and Rape of Girls from Religious Minorities**

We would like to bring your attention to the heartbreaking atrocity which three-year-old Aleena faced. Aleena was brutally raped by Mohammad Saleem in a school classroom on July 25, 2021, in Raiwand City. The school is funded by UNICEF.

A small Canadian Aid to Persecuted Christians (CAPC) team paid a solidarity visit to the family. The family raised the need for legal aid as Saleem seems to be politically and religiously influenced. No matter how connected the accused is, CAPC will legally fight to serve justice for Aleena and her family.

The abduction and rape of girls from religious minorities are getting very common in Pakistan. CAPC receives ongoing requests to extend its legal and financial support in such cases.

Canadian Aid to Persecuted Christians raise APPEAL for funds to release Christian girls and save them from atrocity, sexual abuse, rape, abduction, forced conversion to Islam, and forced marriages.
