BLESSING OF CEMETERIES

Blessing of Cemeteries on Sunday, November 7, 2021

The beauty of a cemetery in November.

It seems people have always thought of the cemetery as simply a sad place of death. When we see friends or relatives off to their resting place, the cemetery is always full of mourning. That land welcomes the deceased, but there are tears soaked into its dust and many sad stories around it. However, because of our belief in the Risen One, a cemetery is always filled with hope and beauty. This holy ground - where so many Christians come to pray for the faithful departed every year in November is sacred. We pray for our ancestors, relatives, and friends and express our gratitude for what they have done for us. The beauty of November is a time for human beings to express love for each other - not only by praying

for the dead but also by expressing our solidarity with the living. We realize that we are all fragile, and that we are on a journey back to God and that, someday, we too will die and leave this earth. Take advantage of this precious time during the month of November remembering the beauty of Heaven and the glory of having a merciful God.

BLESSING OF CEMETERIES – (Continued)

As has been the custom for several years now, we will gather at our local cemeteries to pray for our deceased loved ones. Please join us on Sunday, November 7 at the following cemeteries:

Memorial Gardens at 1:30 p.m.

South Hill Cemetery at 2:00 p.m.

Old Catholic Cemetery (behind Canadian Tire) at 2:30 p.m.

White Star Cemetery at 3:00 p.m.

RESTORATIVE JUSTICE

To all our supporters, volunteers and cheerleaders

We are so thankful for all of you and the contributions you make in bringing hope to those caught in the grips of the justice system.

Parkland Restorative Justice programming is once again in the midst of a pandemic wave.

We have very limited access to the men we serve inside Sask Pen. However, we continue to deliver programming.

The great news this coming week is that Seth Michael will start teaching the Dad Hero material virtually to the men inside through newly installed tech equipment in the Penitentiary.

I continue to visit with the men inside the very challenging environment of the SIU(formerly solitary confinement) Currently, I am the only member of any outside volunteer organization being allowed inside the Sask Pen to serve inmates directly.

We are thankful for the favour gained over many years of P2P being a trusted partner by the leadership of the Sask Pen.

CoSA groups still meet regularly in Prince Albert with Pastor Seth Michael's capable oversight.

We are thankful for the ability of the Penitentiary to adapt and learn with us during these most difficult times.

Please pray for the financial needs that will be surfacing in the new year. The CoSA funding contract is coming to an end and we will be feeling a shortfall unless new sources emerge.

Pray that Public Safety, the Ministry of Justice, or other federal or provincial government agencies may step forward to fund this very successful program.

Pray for creative innovative partnerships and the appropriate grant givers to come into focus.

Please Pray that the men inside remain healthy and grow in resilience as we hope this wave is the last wave.

There is a CoSA Canada Thanksgiving newsletter attached below for your interest. Please read and forward to those with interest in our Restorative Justice work.

Peace and Blessings to you all!!

RESTORATIVE JUSTICE – (Continued)

CoSA South Saskatchewan, Micah Mission, and Parkland Restorative Justice are the agencies (partnered with MC Sask and MCC Sask) that provide the Person to Person (P2P) and CoSA programs in Saskatchewan.

Since April of 2017, these agencies have been receiving approximately \$200,000 in total annually from the Ministry of Public Safety Canada, administered by CoSA Canada, to facilitate reintegration programming while contributing to research showing the high rate of success of CoSA.

In March of 2022, this five-year project will come to an end as will the funding that came with it.

In anticipation of this, these agencies have been seeking to determine how to continue funding the programs and not lose any valuable staff members. We are also exploring how the 3 agencies might partner together in applying for sustainable, ongoing funding to keep these programs alive.

What can you do?

This notice is to make you aware of this fact and to invite your prayers, your gifts, your action.

Please pray that we may find the resources to continue this programming.

Please give to these agencies directly or designate your gift through MC Sask or MCC Saskatchewan.

Please talk to your MP or MLA about the need for this important program to be funded by our governments.

Please share with us your ideas regarding keeping this program running.

RESPONSE TO AFGHAN PERSECUTED CHURCH

AFGHANISTAN: With the departure of foreign troops and the Taliban taking over the government, millions of normal, average people in Afghanistan are plunged into fear for their future. For the past twenty years the economy has been heavily dependent on international aid and NGO's providing services and employment for thousands of Afghans. Many are suddenly left without jobs, and the price of food is rising sharply. We are hearing from people who are desperate and hungry. Afghanistan has an overwhelmingly young population, with over 60% of the population estimated to be under 25 years of age. Many of these young people are students, whose education has been suddenly interrupted. It's not clear whether girls will be allowed to continue attending school beyond the primary grades. Stories of forcible abduction of young women in some places strike terror into families with girls of marriageable age. Much attention has been focused on the extreme risks faced by Afghans who worked for the US and NATO armed forces, women in high-profile leadership positions, human rights advocates, and journalists. Less attention has been paid to the plight of persecuted religious minorities, as it's such a tiny percentage of the population. Those in this group, however, face the most extreme danger.

Afghanistan has been a Muslim country for centuries, with the remaining pockets of animists/polytheists forcibly converted to Islam in the late 1800s. The small communities of Sikhs, Hindus, and Jews left the country over the past few decades, leaving a population of nearly 100% Muslim. In essence, to be an Afghan is to be Muslim. Historically, the few Afghans who have believed in Jesus over the years have been forced to practice their faith in secret, as conversion equates to apostasy from Islam, calling for the death penalty. The growth of the secret underground church has been very slow up until the past decade when it experienced explosive growth. The stated aim of the Taliban is to implement strict Sharia law in the country, which would almost certainly include execution for anyone convicted of apostasy. Those Afghans who have made the courageous choice to follow Jesus are now in deadly peril. They basically have three choices: 1) To renounce their faith and return to practicing Islam, 2) to continue to practice their faith secretly, remaining in hiding, or 3) to flee the country and find sanctuary in a place where they can freely practice their beliefs. Some international aid workers who had to leave in August are now in almost daily contact with Afghan believers in Christ who are fearful for their lives. Some of these believers have courageously determined to stay in their country, where they can encourage other believers and be a quiet witnesses within their communities. Others remain in hiding, fearful to leave their homes even to shop for food and supplies, or else moving from city to city in hopes they will not be recognized. Still, others have received direct threats from the Taliban and fled their homes to evade arrest. We have direct news of several Christians who have already been killed.

We would like to highlight the need for one large family (11 adults & 4 children) who fled their area because of immediate threats and are currently hiding in a city away from their home. Once they cross the border to another country, they will need support and protection as they await processing to Canada. Currently, Canadian Aid to Persecuted Christians is working to find a more durable situation for this Christian Afghan family and others who are in an equally dangerous situation.

ST. JOSEPH CALASANCTIUS - North Battleford, SK ROSARY RALLY 2021

Saturday, October 16th @ 12:00 noon.

St. Joseph Calasanctius at 1942-98th Street

(In the Parking Lot on 19th Avenue) Bring a lawn chair.

Each year, *Canada Needs Our Lady* holds the Public Square Rosary Crusade, with rosary rallies in cities all across the country. On October 10, 2020, there were 351 groups simultaneously praying for our country and the world all across Canada! The 2021 Rosary Rally goal is 600 groups. These yearly Public Square Rosary Rallies take place on the Saturday closest to October 13, the feast of the last apparition of Our Lady of Fatima and the Miracle of the Sun.

Honour Our Blessed Mother by joining in the largest Rosary Rally in the history of Canada. It is really quite simple. All you need is a Rosary and a few friends or family members to join you. Then, you stand in a public place and pray the Rosary. Our nation needs prayer and Our Lady of Fatima told us exactly how to pray the Rosary. Our aim is to gather thousands of people from all over Canada to pray the Rosary on After the horrors, violence, and injustice paraded across our TV screens in recent times... it is time. Honour Our Lady; be a part of the 2021 Public Square Rosary Crusade. **Please contact Pauline Hood at 306-446-2094 for more information and to register.**
