**GROWING IN WISDOM: SEEKING DEEPER GENERATIVITY** - this two-year program beginning in September 2021 is an ecumenical program designed for those seeking to engage in their maturing years with wisdom and grace. This is a time in which we can begin as elders to look back on the life we have lived and find openness to new or previously undeveloped inner vistas. It is a time to begin to come to terms with our own mortality and the grace we find in facing this time in our lives with wisdom and satisfaction. This program is a dynamic interplay between and among each participant, the Growing in Wisdom Community, and Divine Mystery, assisting in the inner transformation of participants as the journey unfolds. **Growing in Wisdom: Seeking Deeper Generativity** invites you to explore how you might commit yourself to give both your life and your death to the world, in a way that both are the ultimate gift and blessing that you give to others. Featuring Fr. Ron Rolheiser, the faculty of the Oblate School of Theology, and Canadian presenters, this program will be offered on zoom with possible in-person gatherings beginning in 2022. For more information contact Nancy Phillips, the program coordinator: [dnphil@mymts.net](mailto:dnphil@mymts.net) ; 204-470-9437
