God has created each of us uniquely – to play a unique role in our time and our world. But how do we know what God is calling us to do? If He is calling us, why can't we hear Him more clearly? What will we have to take on or give up if we follow His call?

These are the questions we'll explore together in CALLED: Discover Your Vocation. With practical help and insights from presenters who've lived out these questions, CALLED walks through the importance of Vocation, how to discern Vocation as more than just a job, the call to the priesthood and consecrated life, and the deeper meaning of marriage.
