## **DEVELOPMENT AND PEACE**

### Offer Hope in the Light of Christ

Hello,

I am writing to inform you that Development and Peace — Caritas Canada has just published a [joint statement on Gaza](#) with Caritas Australia and Caritas Aotearoa New Zealand.

This statement is a response to declarations that the prime ministers of the three countries had made last month and late last year. In the former, the prime ministers had called for a ceasefire and peace in Gaza. In the latter, they had reiterated that call; denounced Israel's planned invasion of Rafah; and urged it to "listen to the international community."

Our response was prompted by the lack of any indication from Israel that had heeded our prime ministers and by the rapidly worsening situation in Gaza. It came about from discussions that our executive director, Carl Hétu, recently had in Rome with his Caritas colleagues from Australia and New Zealand.

Our joint statement asks the prime ministers to do much more to secure a ceasefire, the release of hostages and detainees, and the establishment of a humanitarian corridor. We also make the case for preferring trucking over shipping and airdropping aid.

Given that many Canadian Catholics are deeply concerned about the situation in the Holy Land, especially during this Lenten season, it is important for them to know that we are keeping up our advocacy on the issue. We have therefore included this news in the newsletter that we sent to members this morning.

I would also request you to include it in your diocesan communications (website, newsletters, etc.) and to boost our post about it on [Facebook](#), [X \(Twitter\)](#) and [LinkedIn](#). Thank you for your support. Please accept our wishes for a blessed Lent.

Yours in solidarity,

Minaz Kerawala
