DEVELOPMENT AND PEACE

Dear friends in Christ,

Over one third of **Ukraine's** electric power plants have been destroyed in the past month by Russian air strikes. As a result, around 4.5 million Ukrainians have been left without power. [Development and Peace – Caritas Canada](#) is supporting this [pastoral letter](#), in which the Ukrainian Catholic Bishops of Canada are appealing to Canadians' renewed generosity so that the people of Ukraine have basic necessities such as heat for their homes this winter. Please share this message widely and encourage the people in your dioceses and networks to [make a donation](#).

We also invite you to share this news:

Development and Peace's 2022 fall campaign is focused on advocating for strong legislation requiring **due diligence** by Canadian companies operating abroad. [Read more here](#).

Did you know Development and Peace is celebrating its **55th anniversary**? To mark the occasion, here are two new beautiful videos:
