## **DEVELOPMENT AND PEACE**

Dear diocesan colleagues,

I just wanted to inform you that Development and Peace has launched an appeal for the hunger crisis in sub-Saharan Africa.

As you are probably aware, the combined effects of the COVID-19 pandemic, droughts, floods, civil conflicts, political instabilities and the food shortages now caused by the war in Ukraine have left [50 million people "teetering on the edge of famine."](#) Needless to say, this is an urgent situation that merits an immediate and generous response.

That is why, as members of the Canadian Foodgrains Bank, we have joined the Humanitarian Coalition's *Hunger Crisis* appeal.

**Until July 17, all donations for this crisis will be matched dollar for dollar** (up to a maximum of \$ 5 million) by the Government of Canada.

We have published [an article about this](#) on our website and sent out [an email appeal](#).

Please do all you can to support and promote this important and urgent appeal by spreading the word in your dioceses. Thank you for your support.

In solidarity, Minaz

### **CNEWA launches relief campaign for Ethiopia**

*Countless stories of heartbreak and turmoil spur agency to take action.*

**Ottawa, June 29, 2022** — CNEWA is initiating a relief campaign to rush humanitarian aid to Ethiopia's increasingly vulnerable population.

Prices of grain, cooking oil and other essentials are skyrocketing, as Ethiopians contend with ongoing drought, exacerbated by the inter-ethnic violence that gripped its northern provinces last year, as well as shortages brought about by the ongoing war between Russia and Ukraine. The United Nations reports Russia and Ukraine supply about 40 percent of Africa's grain imports.

In Ethiopia's Tigray region, where CNEWA will focus its funds, schools and banks remain closed, limiting access to money and services. Some report that businesses have been shut as fuel costs soar.

As CNEWA's campaign begins, the CNEWA team is hoping Canadians from coast to coast to coast will be able to respond.

"We are greatly concerned about the ongoing plight of Ethiopians," said Judith Poitevien, Interim National Director of CNEWA's Ottawa-based office. "We hope Canadians will respond as they did so generously with our Ukrainian appeal. With the help of our many donors and friends, we are confident we will be able to help serve and support those in need in Ethiopia."

Since the mid 1980's, the east African country has struggled with environmental change, drought, war, revolution and civil strife. After a number of years of relative stability and economic growth, however, inter-ethnic violence has torn apart the country, especially in its northern provinces. Homes, places of worship and schools have been looted and heavily damaged. Reports continue of families living in fear of the unknown, as they face hunger and violence.

CNEWA's partners in Ethiopia continue to plea for those most vulnerable, especially children, nursing mothers and the elderly.

"If we survive, we survive with gratitude for whatever assistance you give to us," said Bishop Medhin of Adigrat in Ethiopia.

Donations can be made online at [cnewa.ca](http://cnewa.ca) or by phone at 1-866-322-4441. Cheques can be mailed to CNEWA at 223 Main Street, Ottawa, ON K1S 1C4, marked "Ethiopia." Tax receipts will be issued for donations of \$10 or more.

Learn more about CNEWA efforts in Ethiopia by visiting [cnewa.ca](http://cnewa.ca) or following the organization on Facebook (@CNEWACanada).

CNEWA's partners in Ukraine provide emergency services and humanitarian and pastoral support to Ukrainians from all walks of life by providing the displaced, the elderly and the sick with care, medical supplies, food, clothing and shelter, as well as educational programs and support for local priests.

Feel free to share this great news and continue to invite your network to support a Catholic organization that is making a difference in the lives of Ukrainians today.
